

UNIVERSITY OF AGRICULTURE IN KRAKOW

***Rector
Uman National University of Horticulture
prof. Olena Nepochatenko***

Thanking for the invitation to the inauguration of 2015/2016 Academic Year the Uman National University of Horticulture I regret to inform you that due to previous commitments I will not be able to participate in it.

I wish you and the whole academic community of Uman National University of Horticulture a successful academic year, every success in research and education.

On this special day, I am sending my best wishes particularly to the first year students, may their studies help them to gain professional knowledge and achieve every success in their professional life.

Please, accept the best wishes of good health and personal happiness.

Rector
